Friday 9th February 2018

Dear Parents/Carers,

As part of our commitment to help parents/carers support their child's learning we are giving you access to your child's information on the school tracker.

On Parents Evening you will receive letters from the school providing you with your login details for the School Pupil Tracker. The School Pupil Tracker is a tool that teachers use in school to record the academic progress of pupils and, at the end of the year, produces your child's school report. For a short period of time, the tracker will be open to parents to view the progress of their child so far.

To help you get a full understanding as to how we use the tracker and the way we assess pupils, the school will be holding two parental information sessions:

Wednesday 28th February at 2:30pm

Thursday 1st March at 6:00pm

Please indicate on the slip below, which session you wish to attend and return to the school office.

The School Pupil Tracker will close to parents on **Wednesday 7th March**. We will then be opening it to parents/carers at key assessment points throughout the year.

Yours sincerely,

Mrs Bev Hartigan
Head of School

Mrs Emma Ravenscroft
Head of School
